

# Who needs help getting in the door?

We all do. Whatever our abilities, accessibility benefits everyone. Our behaviors can open doors, too. For instance, introducing yourself before speaking on a conference call helps those who are hard of hearing – and everyone else – identify participants. Using a slightly larger font size makes emails easier to read for everyone. Accessibility helps each of us – and it takes each of us to make it happen.

Accessibility is inclusiveness in action. To find out what you can do, email the AccessAbilities mailbox or visit [ey.com/AccessAbilities](http://ey.com/AccessAbilities).
